

RESOURCE PRESENTATIONS

- **Research**, and organize information that explains your content interests and relates that to other art and social practices.
- **Create** a well-designed PowerPoint presentation that is a maximum of 10 minutes to present your interests to us.

Resources may include many different things:

visual resources	textures, forms, colors...
cultural references	media, popular culture, history, social practices, et al.)
other art and artists	Historic and/or contemporary artists working in related ways.
personal background	Things that have shaped your vision and perspective
What else?	???

Resources for PowerPoint

Tutorials you can do to help you learn PowerPoint

PowerPoint 2007 training courses from Microsoft

Design tips and good design examples

<http://www.slideboom.com/presentations/13984/Effective-PowerPoint-Presenting>

Succinct example of good design and a few examples of what not to do. Use your arrow keys to move forward or back. Read the Presentation Notes (what the speaker would say) below. By Matthew Dyer.

Ideas about using simple images

Common Craft uses very simple line drawings in video to explain complex ideas. The talk that goes with the images is what enlightens you, but the images keep you interested and support the information in useful ways. Includes a video on zombies.
